The Ivy Hill Neighborhood Association endorses the efforts of Safety First to provide a volunteer Emergency Medical Response service to the residents of Newark. Safety First staffs and operates an EMS motorcycle. Through a partnership with the Essex County Medical Reserve Corps and the Newark Medical Reserve Corps the EMS motorcycle has been available to respond to emergencies. Safety First is based out of the West Ward of Newark and has been offering volunteer EMS response services to the community. The Ivy Hill Neighborhood Association supports the dedication of Safety First to being a community based, volunteer emergency medical service organization.

The Safety First EMS Motorcycle will respond to medical emergencies primarily within the West Ward of Newark. The Safety First EMS Motorcycle will also respond to the other wards of Newark as needed. Safety First is an independent community-based emergency medical service. It is not affiliated with any other agency and receives no municipal funding for its operation.

Respectfully,

Douglas Bell  
President  
Ivy Hill Neighborhood Association
